

Mystery Readers

Thank you so much to the parents who came in to be a Mystery Reader this week! It was lovely to see how excited the children were and enjoy a range of different books.

World Book Day

There were so many different characters on show yesterday. From Roald Dahl to Harry Potter, Tom Gates to the Gruffalo - it was lovely! It was also great to hear how children had repurposed other dressing-up clothes rather than buy new ones just for the day.

This week we also had a visit from our Learning Network Inspector from Barnet. She came in and reviewed the steps we had taken since our Ofsted in developing the wider curriculum. She looked at lessons, books, planning, and spoke to staff. She was really positive about the curriculum and the work that the children are doing. She was impressed with their knowledge and inquisitive attitude to learning.

Year 4

On Monday Year 4 took part in Viking Day! The children had a fantastic time learning about different aspects of Viking life. Thank you so much to the parents who were able to give up their day (or part of it) to come along and help. It would not be possible to have these experiences without your support.

Reception

The children have been making writing vegetable soup this week.

Year 3

The children have been learning about the work that archeologists have done to find out about the past. They have been learning about the prehistoric village in Skara Brae and what it has told us about life in Neolithic times.

Year 6

In their history lessons, they have been looking at life in the trenches in WW1.

Year 1

They have been looking at London landmarks and finding them on maps.

Year 2

Year 2 have been learning about the life of Mary Seacole this week. They have also begun practising for the KS1 Show at the end of term.

See page 3 for information about the KS1 show...

Year 5

The children have been learning about biomes and planting potatoes. In their reading lessons, they have been reading the fabulous Floodland by Marcus Sedgwick.
