

MONKFRITH SCHOOL

Summer 4 2025

Well done to Year 6 for their hard work this week! Here they are having just received their Leavers' Hoodies this afternoon. On Sunday morning, we head off to Sandown on the Isle of Wight until Friday. Hopefully I will be able to share photos in the newsletter next week to show some of the things that we get up to!

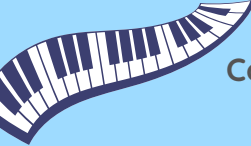

Reception have been outside exploring minibeast habitats and making potions in the mud kitchen. In the classroom they are watching their caterpillars grow. **Thank you so much to Gaia's mum** who came in with a donation of some plants and did some planting with the children.

Help needed!

Next half term we have some projects happening in school that will help us improve the outside areas at school and allow the children to dig (which they love!) but to do this we really need top soil. If you are able to donate a bag of top soil to school to help us with this we would be really grateful. You can drop it off at the Office, by the car park gates or by the bike shed at the entrance on Monkfrith Way.

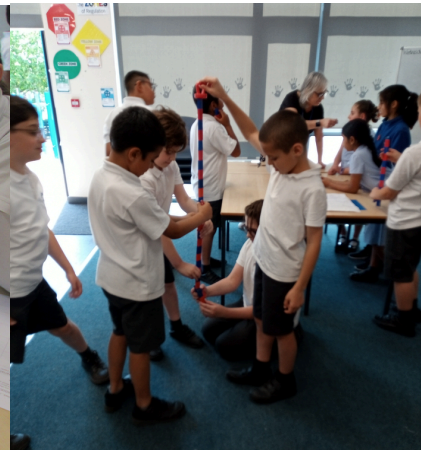

Thank you for your support!

Congratulations to Krish in Year 4 who has passed his initial grade on the piano with **MERIT!** Well done!

In their art lessons in Year 1, the children have been exploring the patterns of animal skin. They studied tiger fur and then created their own version. In Year 2, the children have been looking at puppets in Design and Technology and have been sewing their own! Their bee puppets are bee-rillicant! In Year 3 the children have been using papier mache to create volcanoes, which they are due to erupt next week! In Year 4 the children

In Year 5 they have been working scientifically to explore the effect of different types of forces in their Science lessons. They saw the effect of air and water resistance, friction and magnets.

You may remember that last year Mr. Powell, Miss Pierides, and Mr. Filby took part in a Tough Mudder challenge. This year some very dedicated Year 3 children are following in their footsteps. Caleb, Flo, Sienna, Eva, and Ellison are raising money to help beat cancer. [Here is the link if you want to donate.](#)
